Dear Sir / Madam,

## Testimonial for Sue Oliver & Sarah Way (Rainbowbiz Limited)

We have known the two ladies ( who are “Rainbowbiz”) for the past eighteen months. We were introduced to them by the Connah's Quay Town Centre Manager. They are both very professional about their business.

They have been extremely helpful through the Social Media (Facebook / Twitter / My Donate) promoting our Scout Group and the need for the NEW ROOF that we desperately need. They also are in the process of helping us with our own Web page to enable us to contact all our one hundred families in the Connah's Quay Scout Group.

They have given their time, at first becoming acquainted with the Leaders and the Sections they run. Then attending quite a number of meetings the Scout Group have held.

They have looked into our needs and made many suggestions as to how we can apply for funding for our roof.

Rainbowbiz have helped other people in the community by assisting them with their Social Media skills and advertising their local events. The Connah's Quay Scout Group will always be indebted to them for all the time and help they have given us.

Yours sincerely,

Allan J. Roberts  
GROUP SCOUT LEADER.
